

CERTIFICATE OF PARTS QUALITY

Our products of Product Group 1.97 = original replacements parts fulfil the requirements applicable to the use of automotive spare parts, particularly to the maintenance and repair in "authorised repair shops".

Our original parts match the quality of the components used for the assembly of the motor vehicle in question and have been manufactured according to the specifications and product standards of the vehicle manufacturer; our matching quality parts are of matching quality in the sense of recital 20 of the guidelines.

This Certificate replaces the Certificate according to BER 1400/2002, which expired on 31.05.2010.
